Notes on Adjustment Method

Ranking List: handicap times derived from ranking points as per British Orienteering Federation list as at 16 June 2016. See website <http://tinyurl.com/GLOSShandicap2016> for subset of this list relating to BOF members who a) have sufficient points and b) are members of clubs eligible for GLOSS trophy.

Unranked: BOF member who is on the BOF list but has insufficient points. See <http://tinyurl.com/GLOSSguidelines2016>. Handicap times determined on notional basis. See Notional below.

Notional: all other competitors who are not ranked as at 16 June 2016. Handicap times determined on a notional basis based on competitor's age, sex and level of orienteering competence (V for very good, A for average and B for beginner) given age and sex. See Handicapping of individual raw times on GLOSS course on page 2 for explanation and Annex A for adjustment factors within <http://tinyurl.com/GLOSSguidelines2016>
